

Young Munster Finance Update

Members & Supporters

15th March 2010

We want to keep you up to date as much as possible and below are a flavour of some activities and super developments at the club this season

The Club Draw sub committee successfully launched this vital fundraiser in November and it is running since – monthly draws. Results of the draw are published in papers and on our web site and a results sheet is also displayed in the club house. We have currently approx 350 members and would appreciate more as this is our main fund raising source for club expenses. Please contact John McLoughlin or Charlie Quaid if you have any new member or wish to join yourself.

The All Weather Pitch was commissioned last month and this is a huge achievement for the club. This facility will mean we have access to a top class training area and it will be of benefit to the local community. In the short term bookings are been taken currently by Geraldine Tobin at 087 2748107. Well done to those who had the foresight and commitment to see this project through especially Charlie Quaid and Brendan Collopy. We are currently seeking an administrator to manage the facility for going forward.

The Club Lotto is continuing week in/out and is helpful especially in funding maintenance costs for upkeep of Greenfields. Joe Kennedy continues to give great service assisted by his dedicated team.

A Club Gym – following closely on the All Weather Pitch opening we are in the process of restructuring our old down stairs bar and converting it to a state of the art gym. The construction team is headed by Jackie O'Brien and his team will be finished in early March then we proceed to “fit out” stage. We have “speced” the equipment and sourced it so we are well on the way to completion.

The club has also been offered Paul O'Connell's jersey for auction from Ireland V South Africa November International. We will put this on the web site shortly inviting offers. I must thank Paul for his very kind gesture and his assistance. If you know anyone interested in bidding it would be appreciated

Also Paul has kindly agreed to playing a round of golf (3 + himself) in Adare Manor. GGL Security has kindly agreed to sponsor accommodation for the weekend for 3 persons, and their partners are included if they wish, to stay in Adare Manor. Adare Manor will

kindly sponsor the fourball for a meal on the day after their golf exertions. The date is flexible and the only restriction is that Paul must be available, naturally. The package of golf, accommodation and meal is worth in excess of €1500. We already have an offer of £1000 from the UK for this so we are off to a great start.

Finance Committee – Charlie Quaid, Dermot Tuite, Ger Shaughnessy, Mike Foley, Nay Cantillon, John McLoughlin, Tony Forde.

As you can see there is lots happening and everyone is getting stuck in, if you have any suggestions, wish to join the Finance Committee or have ideas how to maximise any of these opportunities please let me know,

Regards,

Gerry O Shea
