SPONSORSHIP OPPORTUNITIES SEASON 2018/19

CLUB BACKGROUND

As we approach the All Ireland League (AIL) for season 2018/2019, we at Young Munster RFC are fully committed to maintaining our status in the top echelons of Irish Club rugby. With the format about to change it is vital we continue to remain in Division 1 of the AIL and maintain the massive standards achieved at Young Munster over our long history.

Founded in 1896 in the heart of Limerick City we set out to establish a community based rugby football team open to any member of the community who wished to play rugby. The club have continued to maintain that community spirit and now embrace all comers to enjoy the facilities and play at the many levels, both adult and underage and strive to continue the many successes achieved over the years.

With numerous cup wins at all levels, the famous Bateman Cup team of 1928 and the unforgettable All Ireland League win in 1993 the club have achieved success well beyond expectations. In the last few years, we have established ourselves in the top tier of the All Ireland League having finished in the top six in the last six years. Our aim is to continue this all-embracing community spirit and continue to succeed at the highest level.

This can be achieved only with the generosity of our members, kind sponsors and many fundraising activities within the club. It is this generosity, which sustains our club and allows us to offer the many facilities to the countless underage players, who come from all our neighbouring estates and communities. We also need to continue our status as a top performer to attract new members and continue our incredible rise from our humble beginnings over 122 years ago.

We do hope that you will be in a position to support us as we continue our journey at Young Munster RFC.

Nay Cantillon
President

PITCH SIDE ADVERTISING OPPORTUNITIES

Young Munster RFC provides sporting facilities for over 400 children and adults in Rosbrien, Limerick City. The Club holds regular matches throughout the season from August through to May, plus some out of season events.

As the Senior Team play in Division 1A of the All Ireland League, matches regularly attract in excess of 2,000 spectators, Pitch Side Signage is a very popular method of promoting your company and showing your support for Young Munster RFC.

This season we are replacing the existing pitch side barrier with a very attractive high quality fence, which will provide a fine background for your Company's Pitch-Side Sign. In each instance, we will arrange supply and installation of your sign.
