6. Grievance & Disciplinary Procedures

The Senior Committee will be empowered to take disciplinary action against any person who is found to be in breach of the Rules and Code of Conduct of the Club.

In the event of a complaint being made to the Club in respect of any matter which would be deemed to contravene the Rules and Code of Conduct of the Club, the following Grievance and Disciplinary procedures will be followed:

(a) Grievances

A complaint may relate to a personal grievance, a collective grievance, or an alleged breach of the Young Munster RFC Code of Ethics (including bullying) or other serious matter.

(b) Raising an issue informally

It is anticipated that most issues can be resolved at local level between the parties involved, i.e., between members themselves or the appropriate member of the committee. The sooner an issue is raised informally the better as it can often be resolved quickly and in a lowkey manner. This is the case also when a person feels they are being subject to repeated behaviour that is an affront to their dignity (i.e., bullying behaviour). However, where this is not possible/appropriate or where such an approach fails to address the matter satisfactorily, the formal complaints procedure should be followed.

(c) Formal Grievances

A formal complaint should be sent to the Club Secretary or the Child Welfare Officer (where the complaint relates to youth rugby) in writing setting out the issue within 3 days of the alleged incident and the relevant details. The complaint should identify any efforts (if appropriate) that were made to try and resolve the matter at a local level. Complaints relating to another player, captain or officer that allege a breach of the Young Munster RFC Code of Ethics or other serious matter that could potentially lead to disciplinary action will be dealt with under the disciplinary procedure.

Any formal complaint will be considered by the Club Secretary (or Child Welfare Officer) and the Senior Committee, who will seek to resolve the matter with the relevant parties. Having done so a response will be sent to the complainant informing them of the outcome and reasons in as timely a fashion as possible (preferably within 21 days)

The complainant may appeal this decision in writing to the Club Secretary (or Child Welfare Officer) requesting the matter be reconsidered. At this stage the Senior Committee will refer the matter to the disciplinary committee to review the complaint and the outcome. The disciplinary committee will report back to the Senior Committee and a written response outlining the decision will be sent to the complainant in as timely a fashion possible (preferably within 21 days). This decision will be final and binding.

(d) Disciplinary Procedure (where applicable on disciplinary matters only)

This procedure is intended to be used only where issues cannot be resolved at local level. Notwithstanding this all complaints brought in writing will be given due consideration.

The aim of this procedure is to ensure that the club properly controls its players and members to ensure that the Club acts in a manner designed to protect the good name of the Club and of the game of rugby generally.

(e) Formal Procedure

Any alleged breach of Young Munster RFC Code of Ethics or serious matter that can be reasonably shown as something that could bring the club or the game of rugby into disrepute will be notified in writing to be known as 'a Complaint' to the Club Secretary or the Child Welfare Officer (where the complaint relates to youth rugby) as soon as possible (but, where possible, within 21 days*) following the alleged breach taking place.

*Note: In the interests of fairness, complaints should be submitted within these timeframes. However, later complaints will be considered where the allegation is of a serious nature or where it involves a youth member.

Any complaint so initiated must be referred to the Senior Committee.

Upon receipt of such complaint, and as soon as reasonably practicable, Senior Committee will note the complaint and refer the matter to The Disciplinary Committee which will be convened as soon as practicable.

**Note: The Child Welfare Officer and/or designated contact person should always be consulted on any complaint/issue that involves a person under the age of 18 so they can

provide guidance. Allegations of child abuse/child protection issues will be reported to the relevant authorities.

(f) Disciplinary Committee

The Senior Committee will appoint a Disciplinary Officer and Disciplinary Committee Panel as soon as possible after the AGM each year. The Disciplinary Officer will be the Junior Vice President. The other members of the Disciplinary Committee Panel (minimum 6 additional persons) will be Club members and will be persons of long good standing in the club or community. When a complaint is received the Disciplinary Officer will arrange a hearing as soon as is practicable. Any adjournments may be granted at the discretion of the Disciplinary Committee.

The Disciplinary Committee will be chosen from the Panel and will consist of at least three persons including the Disciplinary Officer. A chairperson will be elected each time the Disciplinary Committee is convened to deal with an issue. None of the members will relate to the implicated person(s) at the time of the complaint or alleged breach of the Code of Ethics. If a member of the Disciplinary Committee is related to the implicated person(s), that member will excuse themselves for the duration of the adjudication of that complaint or alleged breach. Where the disciplinary matter involves a player under 18 the Child Welfare Officer will be consulted by the committee to ensure adherence to relevant safeguarding policies and legislation.

In any case which is referred for a Disciplinary Hearing, reasonable notice (in writing) of the hearing and of the offence(s) alleged will be given to the implicated person.

The implicated person will be entitled to attend the hearing, state their case, be informed of the evidence provided by others and will be given the opportunity to refute allegations against him or her. The implicated person will be entitled to be supported by a colleague, friend, child welfare officer or parent and to call witnesses.

The purpose of the Disciplinary Hearing will be to establish the facts and the committee having considered all the evidence will make a finding which will be recommended to the Disciplinary Officer for ratification. For the avoidance of doubt, the Disciplinary Committee will be allowed to communicate with the implicated person to arrange a hearing etc, but the disciplinary committee will not communicate the findings of any hearing or investigation except through the Senior Committee.

(g) Red Cards / Sending's Off

Any player, coach, parent, or spectator who is sent off during a game is deemed to be immediately suspended by the club pending the outcome of a Munster Branch hearing and / or a Club Disciplinary Hearing. In these cases, a Club Disciplinary Hearing will be convened as soon as possible, and in all cases, this should be in advance of the Munster Branch hearing if time and schedules allow. The disciplinary panel will, if possible, determine any sanction that

may be necessary and inform the implicated person and the Munster Branch of the outcome in advance of the Munster Branch Hearing.

(h) Penalties

If the Club finds that misconduct occurred, the following are possible sanctions:

1. To require a person to write letter(s) of apology within a specified time.
2. To record a reprimand and to give a warning as to future conduct.
3. To suspend a player's right to be considered for selection by the club to play in one or more matches.
4. To suspend a person's membership of the club for a period.
5. To suspend a person from attending matches for a period.
6. To adopt a sanction handed down by Munster Branch or IRFU
7. To impose more than one of the above penalties.
8. To ban a person from attending/admittance to Young Munster RFC grounds

Decisions of the Disciplinary Panel (a finding that a complaint is proved or not proved or a decision on penalty) will be by majority vote, where necessary the Disciplinary Panel Chairperson will have a casting vote.

The implicated person will be notified by the Club Secretary in writing of the decision and any penalties, if any, imposed within seven days of the decision being made.

(i) Appeals Procedure

The implicated person will have the right of appeal to the Senior Committee of the Club for a review of the findings of the Disciplinary Hearing and of the penalty or penalties imposed., this must be submitted in writing to the Club Secretary within 3 calendar days.

If Notice of Appeal is given the penalty will not take effect pending the hearing of the Appeal, which will take place as soon as is practicable.

The Appeal will be by way of re-hearing before a different Panel. The composition of the Appeals Panel will be at the discretion of the Senior Committee and will consist of not less than three persons, none of whom will relate to the player at the time of the alleged breach. The implicated person will have the same rights of attendance and representation, and to call witnesses as they had before the Disciplinary Panel.

The Appeals Panel may confirm, vary, or reverse the decision of the Disciplinary Panel and it will have the power to increase the penalty. Decisions of the Appeal Panel will be by majority vote; where necessary, the Appeals Panel Chairman will have a casting vote.

- (j) For the avoidance of doubt, the Appeals Panel will be allowed to communicate with the implicated person to arrange a hearing etc. but the Appeals Panel will not communicate the findings of any hearing or investigation except through the Senior Committee.

The implicated person will be notified by the Club Secretary in writing of the decision and any penalties, if any, imposed by the Appeals Panel within seven days of the Appeals decision having been made.

The decision of the Appeals Panel will be final and binding.
